1. During the period from 8 to 10 April 1951, it was observed that the Kattner Settlement in Eisenstadt (P 48/X 55) quartered only 30 men. A garage was being dismantled. The guard hut was no longer seen, the bulk of the fire wood stored there had also been removed. Seven trucks, five tank trucks, one weapon carrier, one jeep, one fire truck, one Stalin-type caterpillar tractor and one power unit mounted on a two-wheel tractor were observed.

4. On 11 April, it appeared as if the Kattner Settlement in Eisenstadt was being evacuated. Only two trucks, one weapon carrier, one fire truck, one caterpillar tractor, one jeep and one generator were observed. [REDACTED] loaded with ten men wearing flying suits left in the direction of the airfield. Two fighters fitted with in-line engines took off heading west. \*

- \* **Comment.** The report confirms the previously observed transfer of ground personnel units of the fighter division in Eisenstadt. See [REDACTED]. According to this report, the ground personnel units were transferred to Bad Fischau. The unit previously quartered in the Kattner Settlement has not been identified. The flying activities observed indicate that the air units of the division are still stationed at the Trenersdorf airfield. The motor vehicle numbers mentioned were previously observed in Eisenstadt.
